Subject: Highgate Add Service Proposals

Susanne,

I hope your review went well; presumably a welcome change of pace.

I wanted to ask if David has said anything to you about the add service proposal documents. I haven't heard anything from him, although during our Monday team recap he mentioned he told John there would be upcoming legit add services. So perhaps he looked at them.

Reading the tea leaves (which is always fraught), I'm thinking the focus will be on the VE exercise for the next several weeks. After that, once the budget has been reduced, David might feel comfortable addressing the add services with the client.

In the meantime, based on some of the back-up from 39 and Princeton, I could start to develop individual sheets related to the VE exercises as well as the potential add service scopes.

Would you have a few minutes tomorrow to review and discuss possible next steps.

Thanks,

Robert
